Hints to help you fill in this medical history application:

The following are some hints on how to fill the application form as accurate as possible. Every question has two forms of answers. The first group of answers are placed under **Value** which explains the intensity of the symptom when it come using numbers from (1 to 10). Intensity of a symptom has nothing to do with the frequency of the symptom whether daily or once a week or one a month.

Number (1 to 3) indicates the symptom's intensity is very small when it comes. On the other hand, a number (4 or 7) indicates that the symptom's intensity is disturbing and bothersome when it comes. The number (8 to 10) symptom's intensity is very painful whether the symptom appears every day or once a month. You should assign or estimate number to every question as you see it. This is not a right or wrong questions.

The second group of answers determines whether a symptom should be marked as **one** of the following answers

- C... symptoms are present daily or
- F... symptoms come and go frequently every few days, every week or every month or
- P... symptoms appear every several months or every season.

For example:

GASTRO-INTESTINAL

Value	P	F	C	
③	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	Gas
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Jaundice
②	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Diarrhea
⑦	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Heart burn
③	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Indigestion
③	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Constipation
③	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Poor appetite
②	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	Hemorrhoids
③	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Liver trouble
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Colon trouble
②	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Pain over stomach
	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	Gall bladder trouble

Gas here is a constant symptom that appears daily and little bothersome given number 3.

Heart burn here is a constant daily symptom that appears which is very disturbing given the number 7.

Poor appetite here is a moderate symptom that appears frequently and bothersome, given the number 3

Pain over stomach here is a daily symptom, with a little discomfort, given the number 2.

Please be as specific as possible since the medical history may hold the key to your complete recovery.
